8/30/2023

Dear Michael Abony.

First of all, thanks for your kind guide.

- Total hours: 8 hours.

Complete First Task: 5hr

Understanding about Express (route, model(schema), connecting DB)

Understanding about http method in FE

Fix problem with using mongoose functions.

Second Task: 2hr

FE: Make FileUploadDragDrop Component.

BE: Research about 'multer' module to create file from received request.

Learning about Git: 1hr

I hope your work doing well.

Good night.
